

ATH Four Lift® 65P

Product Images

Description

- Electro-hydraulic 4-post lift with quick-lifting unit and load-dependent lowering function
- Central control unit, including unit cover
- ATH Four Lift 65P: Flat runway optional wheel alignment kit
- Precisely level-able Platforms due adjustable ratchet bars
- Safety Control: Electro-pneumatic safety latches that automatically unlock during lifting and lowering
- Safety Lock: Control for lowering the load onto the safety latches
- Multifunctional pick-up via slidable runways
- Perfect platform protection made of special polymer and double powder coating

Additional Information

Color	Anthrazitgrau / Schwarz
Rated load capacity	6.500 kg
Lifting height max.	2.060 mm
Drive-on-height	225 mm
Total platform length	5.595 mm
Total platform width	650 mm
Driving power	4 kW
Lifting/Lowering time	ca. 45 s
Power supply voltage	3x 400V / C16A
Concrete strength	min. C20/25 7.400 x 3.900 x 200 mm
